

COUNSELORS' CORNER

VOLUME 12 FEB 11-18TH

thank you

We just want to thank each and every one of you for the week of appreciation. We definitely felt the love. Amanda and I love this job so much. We feel so lucky to be the counselors at Kiker. This community is amazing. Thank you for showering us with so much appreciation and love. It made us feel so special!

Speak up!

Our guidance lessons for the next two weeks are focusing on acceptance, equity building, and advocating for yourself and others. Our first lesson is on Speaking Up. We've discussed kids in the world who have used their voices to speak up for things they feel strongly about. Reminding your child that their voice matters - no matter how quiet - is so IMPORTANT!

Black history month at home
